Flanders Summer Camp.

So much more than just a traditional “day camp!”

Flanders 200 acre campus is the perfect place for children to explore and connect to the great outdoors. Children are surrounded by the wonder of nature and science as they discover for themselves the diversity of life in the forest, pond, farm or meadows. These observations and hands-on experiences create a foundation for learning environmental concepts in a fun and exciting way.

Your child can be an artist, explorer, farmer or culinary genius at Flanders... where learning is fun!

Mix and match a morning and afternoon program to create a memorable summer experience for your child.

ENTHUSIASTIC EDUCATORS Our award-winning and talented staff of educators are experienced in providing age appropriate activities and programs that stimulate young minds. All hold CPR and First Aid certificates to make a day of Flanders fun and safe for your child.

MEMBER DISCOUNTS Flanders’ member families receive a discount on our already-affordable program fees. To take advantage of the savings, you must hold, establish or renew a family membership (\$65) before or during registration. Member families enjoy on-going program discounts and special events at Flanders throughout the year, in addition to its numerous environmental education programs.

MULTIPLE SIBLINGS DISCOUNT Register your children and save 10% off regular class series fees.

EARLY BIRD DISCOUNT IF YOU REGISTER BY MAY 31!

FINANCIAL ASSISTANCE: “CAMPERSHIPS” We have a limited number of need-based “camperships” available, which are scholarships that will help defray the cost of a Flanders’ Summer Series program. For more details and an application, please call 203-263-3711, x 12.

Do you have a teenager who loves the outdoors and enjoys working with young children or meeting the public? Call to ask about opportunities available this summer in the Flanders Teen Volunteers program. It's a great way to earn community service hours.

Great Spaces For Great Programs.

Trail House — Little Explorers (page 2)

Your young campers will be amazed as they learn about all the creatures that share our world. Hands on activities engage and entertain children as they discover insects, birds, amphibians, reptiles, fish and mammals. We build a foundation of environmental awareness and care during early years that can last a lifetime.

Sugar House — Outdoor Adventures (page 2)

Your child's science books come to life at Flanders Sugar House this summer! Each daily adventure is filled with exciting discoveries about animal life cycles, ecosystems, habitats and environmental concerns. Our future earth stewards will connect to nature as they develop awareness of life on our ever-changing planet!

North Barn — Farming Fun (page 3)

There is something marvelous about spending time at Flanders North Barn during summer. Bouncing baby goats, sheep, ponies and other farm animals are sure to entertain children along with the wonders of newborn life. Soft baby bunnies and fluffy baby chicks help students understand life cycles and beginning biology concepts. Learn about technology through time in our antique farm tool museum and the importance of farms and food today. Hayrides, hikes, stories, games, art and good old fashioned fun are all part of the best summer ever! Come on down for an amazing agriculture adventure.

Studio — Nature, Art and Imagination! (page 3)

Our forest, fields and farm are perfect places for students to be inspired to create works of art. Children will experiment with a variety of art mediums including watercolors, acrylic on canvas, pen and ink, pastels, land art and clay. Papermaking for nature journals, creature catching and collecting natural materials for collage are all part of developing your own personal artistic style as you connect with nature, enjoy the fresh air and have fun!

Van Vleck House — Kids Get Cooking in Natalie's Kitchen (page 4)

Young Chefs will discover local farm products, fresh ingredients and creative cooking are all part of learning about food, science and fun to grow up healthy and strong!

Native American Summer Series (page 4)

Follow in the footsteps of Eastern Woodland Native Americans and bring history to life! Each week is filled with challenges of tool making, shelter building, tanning animal hides, weaving, pottery, art, survival skills and campfire cooking. Learn methods of fire-starting, investigate tracks in the forest and listen to stories of mysterious woodland creatures told around the fire long ago and continue today. Explore the forest, ponds, brooks and fields in search of plants, reptiles, insects, birds, mammals and amphibians, all an essential part of Native life.

Sails and Trails Summer Adventure — Quassapaug Sailing Center, West Lake Rd, Middlebury (page 5)

Learning how to sail on Lake Quassapaug and exploring the Whittemore Sanctuary in search of wildlife are sure to be part of the best summer ever! (All participants must pass a swim test).

NEW THIS SUMMER!

Sails and Trails Summer Adventure

Quassapaug Sailing Center (W. Lake Road, Middlebury)

9 AM – 4 PM

Ages 9 – 11 | 2 week sessions

This joint program is being presented by Quassapaug Sailing Club and Flanders and includes a full day of sailing and nature exploration!

Feel the wind move you along the water as you learn how to sail under the watchful eye of Lake Quassapaug Sailing Center's certified instructors and explore the rich diversity of Flanders' Whittimore Sanctuary on daily hikes and educational expeditions lead by Flanders experienced naturalists!

The sailing half of the day is an introduction to basic safety, seamanship, and boat handling on the water. Participants will begin their sailing experience in QSC's Optimist dinghies, with a focus on developing independence and confidence. Each boat will be sailed by only one student. Skills taught will include understanding the parts of the boat, water safety, understanding wind direction, rigging, knots, and sailing up and down wind.

Campers will enjoy exploring the different environments of the land around the water and daily excursions into the Whittimore Sanctuary and around its wetland habitat. Animal tracking, scavenger hunts, fishing and investigating the animals and birds and local flora and fauna both in and out of the water, will be part of this nature program helping kids to make the connection of the value of open space and responsible land use to issues like water quality for recreation and daily usage.

This unique, full day, hands on experience will enrich young minds to the joys of the outdoors, while gaining confidence and learning the fun skills of sailing all while having a splashing good time!

Space is limited...sign up early!

Please Note: Participants MUST pass a swim test. A swim test will be issued to each student.

Environmental Youth Leadership

Offered weekly

JUNE 12– AUGUST 29

9AM – 1 PM or 1 – 5 PM

Ages 10 – 13

Flanders Environmental Youth Leadership (EYL) training offers students ages 10–13 the opportunity to get outside to explore habitats on field studies, discover diverse wildlife, learn leadership skills and develop environmental awareness. Our future earth stewards will learn about current environmental issues and take a leadership role as mentors to younger children with hands on activities that promote understanding, appreciation of and empathy for the earth.

Assisting Flanders educators each week, EYL trainees can select from weekly themes including Native American living history, biology concepts and environmental science, nature inspired art, agriculture and creative cooking.

They will be group leaders as they connect to nature, take part in explorations, games, stories, hikes and arts/crafts on our 200 acre campus of forest, field, wetlands and farm. Students will be active, enjoying the great outdoors and become inspired as they prepare themselves for a life of environmental responsibility and service.

Rooster Roll Call - Morning Extended Care Available

The North Barn | 7—9 AM

Ages 5 and Up

Our Rooster Roll Call makes it more convenient than ever for your child to enjoy a full day at Flanders this summer. For an additional fee our extended care program will fit your working schedule. Child(ren) must participate in a morning summer series session to attend.

New! Wednesday Garden Group — Every Wednesday morning during Rooster Roll Call children are invited to learn gardening skills in a community garden grown especially to feed the hungry. Drop off is at Flanders North Barn and a short hike to the garden will have students planting, weeding, watering, mulching, fertilizing and harvesting farm fresh produce for the local food bank. Along with gardening skills your child will develop compassion for less fortunate individuals in our community and learn that positive actions produce great results!

Make It A Full Day Of Flanders Fun! – For Ages 5 and Up

Is it hard for you, as a working parent, to adjust your hours to accommodate your child's part-time summer program? Now your child can spend an entire fun filled day at Flanders this summer. Here's an example of a day-long schedule:

7 – 9 AM “Rooster Roll Call” Extended Hours - \$8 per hour

Kids meet at the North Barn to feed the animals and get the barn ready for a new day. Feed the animals, hunt for chicken eggs and do some farming chores.
