Birds of Whittemore Sanctuary

Flanders Nature Center and Land Trust Woodbury, Connecticut

- Occurrence

 B Breeding Species (Known or inferred from local knowledge; most Breeding species are also Migrants)

 M Migrant Species (Occurs during Spring and/or Fall migration periods)

 Y Year-round Species (Present in all seasons; most are also Breeding Species)

 V Visitor (in any season)

- V Visitor (in any season)
 Abundance
 C Common (May be seen or heard on most or all visits in the proper season)
 U Uncommon (Seen or heard only occasionally)
 R Rare (Seen or heard only a few times, or even less often, in any year)

Please report any additional sightings or observations to Flanders Land Trust (203) 263-3711

List compiled by Chris Wood, with help from Buzz Devine and input from the Audubon Connecticut "Forest Bird Habitat Assessment" 2015

Species	Occurrence	Abundance	Notes
Canada Goose	Ү, В	С	Not around in winter if water is frozen
Wood Duck	В	С	Loves the holes in the bog's dead trees
American Black Duck	В	С	
Mallard	В	С	Hard to miss
Blue-winged Teal	М	U	Migrant stopover
Green-winged Teal	М	U	Migrant stopover
Ring-necked Duck	М	С	Migrant stopover
Hooded Merganser	М, В	С	Cavity nester, like Wood Duck
Common Merganser	V	R	
Ring-necked Pheasant	V	R	Probably wanderers from stocked fields nearby
Ruffed Grouse	В	R	Declining population in Connecticut
Wild Turkey	Y, B	U	Surprisingly uncommon given all the acorns
Common Loon	М	U	Migrant fly-overs
Double-crested Cormorant	М	U	Migrant fly-overs
Great Blue Heron	В	U	Nests, but not every year
Green Heron	В	U	Around the bog, secretive
Black Vulture	Y, V	U	Probably nests in the Woodbury area
Turkey Vulture	Υ	С	Flyover, possible nester
Osprey	M, V	U	Regular recently Spring and Summer; future nester?
Bald Eagle	Υ	U	Observed along and over Lake Quassapaug
Sharp-shinned Hawk	В	U	Probably nests in the woods
Cooper's Hawk	В	U	Probably nests in the woods
Northern Goshawk	V	R	Potential nesting habitat, but no recent evidence
Red-shouldered Hawk	Ү, В	С	Loud; hard to miss during Spring and Summer
Broad-winged Hawk	В	U	Probably nests in the higher woods
Red-tailed Hawk	Υ	С	Flyover
American Kestrel	М	U	Generally a bird of open country

	1		
Peregrine Falcon	V	U	Unlikely flyover
Killdeer	В	С	On the bog regularly in Summer
Solitary Sandpiper	М	U	On mud flats in the bog and on the Lake
Spotted Sandpiper	М	U	On mud flats in the bog and on the Lake
Least Sandpiper	М	U	On mud flats in the bog and on the Lake
American Woodcock	В	U	Listen for breeding display whinney around openings
Ring-billed Gull	W, M	U	Flyover
Rock Pigeon	Υ	U	Flyover
Mourning Dove	Y, B	С	
Yellow-billed Cuckoo	В	U	More common with tent caterpillar outbreaks
Black-billed Cuckoo	В	U	Ditto
Barred Owl	Y, B	U	"Who-cooks-for-you?" hooting heard
Eastern Screech-Owl	Y, B	U	
Great-horned Owl	В	U	Once nested in a pine grove (Buss Devine)
Northern Saw-whet Owl	В	U	
Common Nighthawk	V, M	R	Flyover
Eastern Whip-poor-will	M, B(?)	R	No recent records
Chimney Swift	V, M	R	Unlikely flyover
Ruby-throated Hummingbird	В	С	Several nesting locations
Belted Kingfisher	Υ	U	May occasionally fish the Bog Pond
Red-bellied Woodpecker	Y, B	С	Hard to miss
Yellow-bellied Sapsucker	В, С	С	Hard to miss Spring and Summer
Downy Woodpecker	Y, B	С	Always here
Hairy Woodpecker	Y, B	С	Always here
Northern Flicker	Y, B	С	
Pileated Woodpecker	Y, B	С	Always here, distinctive drumming
American Kestrel	М	U	Occasional during migration
Merlin	М	U	Occasional during migration
Eastern Wood-Pewee	В	С	Deep woods, vocal, but hard to see in summer
Acadian Flycatcher	В	U	Nests along streams
Alder Flycatcher	В	U	Most likely around the bog
Willow Flycatcher	В	U	Most likely around the bog
Least Flycatcher	В	U	"che-beck" call, hard to see
Eastern Phoebe	В	С	Abundant during Fall migration
Great Crested Flycatcher	В	С	Common, but keeps to the high canopy

White-eyed Vireo M R Prefers overgrown fields Yellow-throated Vireo B C Also nests around the bog Blue-headed Vireo B C Also nests around the bog Blue-headed Vireo B C Also nests around the bog Blue-headed Vireo B C All around the bog, likes water edges for nest sites Red-eyed Vireo B C All around the bog, likes water edges for nest sites Red-eyed Vireo B C One of most common woodland songbirds Blue Jay B C American Crow B C C American Crow B C C Self-bit Crow Y, V U "Quack", not "caw", except both quack during nesting Common Raven Y, B C Heard or seen on about 10% of visits Tree Swallow B C Abundant on the bog in summer Northern Rough-winged Swallow V U William prigration Cliff Swallow V U U Usually during migration Cliff Swallow V U U Usually during migration Cliff Swallow V U U William progration Cliff Swallow V U William progration Cliff Swallow				
Verliow-throated Vireo B	Eastern Kingbird	В	С	Several nesting pairs around the bog
Bitue-headed Vireo	White-eyed Vireo	М	R	Prefers overgrown fields
Warbling Vireo B C All around the bog, likes water edges for nest sites Red-eyed Vireo B C One of most common woodland songbirds Blue Jay B C One of most common woodland songbirds Blue Jay B C American Crow B C C Pish Crow Y, V U "Quack", not "caw", except both quack during nesting Common Raven Y, B C Heard or seen on about 10% of visits Tree Swallow B C Abundant on the bog in summer Northern Rough-winged Swallow V U Wilgrant pass through Bank Swallow V U Usually during migration Cliff Swallow V U Usually during migration Usually during migration Wilgrant pass through, occasional summer visitor Black-capped Chickadee Y, B C Hard to miss, year round Tufted Titmouse Y, B C Hard to miss, year round White-breasted Nuthatch V U Potential breeder White-breasted Nuthatch Y, B C Hard to miss, year round Brown Creeper B C Easy to miss, year round Busine Willey Busine	Yellow-throated Vireo	В	С	Also nests around the bog
Red-eyed Vireo B C One of most common woodland songbirds Bilue Jay B C American Crow B C Fish Crow V, V U "Quack", not "caw", except both quack during nesting Common Raven V, B C Heard or seen on about 10% of visits Tree Swallow B C Abundant on the bog in summer Northern Rough-winged Swallow V U Migrant pass through Bank Swallow V U Ususallu during migration Cliff Swallow V U Ususallu during migration Usu	Blue-headed Vireo	В	U	May nest, but not confirmed
Blue Jay B C American Crow B C Fish Crow Y, V U "Quack", not "caw", except both quack during nesting Common Raven Y, B C Heard or seen on about 10% of visits Tree Swallow B C Abundant on the bog in summer Northern Rough-winged Swallow V U Wasally during migration Cliff Swallow V U U Susally during migration Cliff Swallow V U U Wasallu during migration Cliff Swallow V U Wasallu during migration Barn Swallow V U Wasallu during migration Cliff Swallow V U Hard to miss, year round Tufted Titmouse Y, B C Hard to miss, year round Red-breasted Nuthatch V U Potential breeder White-breasted Nuthatch Y, B C Hard to miss, year round Brown Creeper B C Easy to miss, year round Winter Wren B U Along streams and around bog Carolina Wren B U Prefers more open areas, like yards Blue-gray Gnatcatcher B C Hard to miss in breeding season Golden-crowned Kinglet V, M C "zree" or "zee, zee, zee" calls Ruby-crowned Kinglet V, M C "jidit" calls Eastern Bluebird V, B C Hard to miss in breeding season Swainson's Thrush M U Hermit Thrush B C Hard to miss in breeding season Wood Thrush B C Hard to miss in breeding season Hard to miss in breeding season Wood Thrush B C Hard to miss in breeding season Northern Mockingbird V U Needs open areas with edges	Warbling Vireo	В	С	All around the bog, likes water edges for nest sites

Northern Mockingbird V U Needs open areas with edges	American Robin	В	С	Around open areas mostly
	Gray Catbird	В	С	
Brown Thrasher V. M R Prefers hedgerows for nesting habitat	Northern Mockingbird	V	U	Needs open areas with edges
Traces neagerons to nearing hazare	Brown Thrasher	V, M	R	Prefers hedgerows for nesting habitat

European Charling	T _D	T _{II}	Also poets in two holes
European Starling	В	U	Also nests in tree holes
Cedar Waxwing	В	С	
Ovenbird	В	С	Just about everywhere in the woods
Worm-eating Warbler	В	С	In the deep woods on slopes
Louisiana Waterthrush	В	С	Along streams; loud, ringing song
Northern Waterthrush	В, М	U	Much less likely than Louisiana
Golden-winged Warbler	V, M	R	Apparently historical record, no suitable habitat
Blue-winged Warbler	V, M	U	
Black-and-white Warbler	В	С	One of the most common warblers here
Nashville Warbler	М	U	
Connecticut Warbler	М	R	Ironically, very rare in Connecticut
Mourning Warbler	М	U	
Common Yellowthroat	В	С	Around the bog edges
Hooded Warbler	В	U	One nest site in most years near the bog
American Redstart	В	U	
Cape May Warbler	М	U	
Cerulean Warbler	М	U	Similar song to Black-throated Blue Warbler
Northern Parula	М	С	
Magnolia Warbler	М	U	
Bay-breasted Warbler	М	U	
Blackburnian Warbler	В	U	High in the hemlocks
Yellow Warbler	В	С	Around the bog
Chestnut-sided Warbler	М	U	
Blackpoll Warbler	М	С	
Black-throated Blue Warbler	В	U	Likes mature woods with thick undergrowth
Palm Warbler	М	С	Abundant during migration
Pine Warbler	В	С	High in the pines
Yellow-rumped Warbler	М	С	Abundant along bog edge in Fall migration
Prairie Warbler	М	U	Prefers early succession fields for nesting
Black-throated Green Warbler	В	U	High in the hemlocks
Canada Warbler	В	U	
Wilson's Warbler	М	U	
Eastern Towhee	В	С	"drink-your-tea", around bog edges
American Tree Sparrow	M, W	U	
Chipping Sparrow	В	С	Trill song similar to Worm-eating Warbler
			<u>1 </u>

Field Sparrow	V	R	Unlikely
Savannah Sparrow	V	U	Meadow nesting bird
Song Sparrow	Ү, В	С	
Swamp Sparrow	В	U	As name implies, only in the bog
White-throated Sparrow	W	С	Winter bird
White-crowned Sparrow	М	U	
Dark-eyed Junco	W	С	Winter bird
Scarlet Tanager	В	С	Dramatic red and black, but hard to spot high in trees
Northern Cardinal	Υ	С	Bright red and easier to spot than Tanager
Rose-breasted Grosbeak	В	С	High up in the canopy
Indigo Bunting	В	U	Generally prefers dry overgrown fields
Bobolink	М	U	Migrant flyover
Red-winged Blackbird	В	С	Abundant breeders in the bog
Eastern Meadowlark	М	R	Migrant flyover
Common Grackle	В	С	Abundant breeders in the bog
Brown-headed Cowbird	В	С	More likely around open areas
Orchard Oriole	V	U	
Baltimore Oriole	В	С	Bog edge
House Finch	Ү, В	С	
Purple Finch	W, B	U	
Pine Siskin	W	U	
American Goldfinch	Ү, В	С	
House Sparrow	В	U
